

CALL FOR ABSTRACTS
THE 20TH ANNUAL ALZHEIMER DAY
THURSDAY, MAY 8, 2014**The Mendelson Lecture**Michael Weiner, MD
Professor in ResidenceDepartment of Radiology & Biomedical Imaging
University of California San Francisco School of Medicine

The Cognitive Neurology and Alzheimer's Disease Center invites Northwestern University members conducting Basic and Clinical Science research in Aging, Alzheimer's Disease, and Other Dementias and related Neurosciences to submit an abstract to participate in the Alzheimer Day scientific poster session. Categories for poster submission include: 1) Cell & Molecular Biology, 2) Pharmacology, 3) Physiology, 4) Neuroanatomy, 5) Neuroscience, 6) Social and Behavioral Sciences, 7) Health Services, and 8) Clinical Best Practices.

The *Marie and Carl Duncan Prize* for research in memory disorders will be presented to the researcher with the most meritorious contribution relevant to memory.
The winner will receive a certificate of award and \$250.

**SUBMISSION REQUIREMENTS:**

- Abstract text should detail purpose, methodology, and findings
- 400 words maximum
- Contact information requested for first author

Please e-mail all abstract submissions to Kristine at k-zachrich@northwestern.edu

All abstracts must be received by Monday, March 24, 2014
