### **Professional Group**

11:30 AM - 1:30 PM

During the morning keynote addresses, you will hear about the history of PPA, the current state of research and clinical practice, and perspectives of those living with PPA. The Q&A Panel will give you a chance to ask any relevant questions of our keynote speakers.

A dedicated professional session will be held in the afternoon entitled "Person and Family-Centered Care in PPA."

The session will center around two case presentations and a multidisciplinary approach to diagnosis and intervention in PPA.

Early Registration (Before March 1): \$50 per person  
Regular Registration: \$65 per person
