Professional Group
11:30 AM - 1:30 PM
During the morning keynote addresses, you will hear about the history of PPA, the current state of research and clinical practice, and perspectives of those living PPA. The Q&A Panel will give you a chance to ask any relevant questions of our keynote speakers.

A dedicated professional session will be held in the afternoon entitled “Person-Centered Care in PPA.”

The session will center around two case presentations and a multidisciplinary approach to diagnosis and intervention in PPA.

Early Registration (Before March 1): $50 per person
Regular Registration: $65 per person
